Request for Dual Degree

Email completed form with all required signatures (except Dean of Grad School) to gradsvcs@lsu.edu

General directions:

1. Discuss with your home department your desire to pursue a dual degree and any effects this may have on your current degree program. Complete the Student and Home Department portions of this form.
2. Visit the department in which you wish to obtain the second degree, to see if you meet their requirements and to determine if they would consider you as a potential graduate student.
3. If the second department wishes to see your credentials, they should request copies from your home department or request in writing from the Graduate School. Records will not be released to the student.
4. [illegible]
