

1. Responsible Employees (REs) are all employees on the campus minus the number of Confidential Advisors (CAs). (REs + CAs = total employees on a campus.) Responsible Employees are Mandatory Reporters.
2. REs who completed the Annual Training are all REs who attended the August 18th workshop on Power-Based Violence hosted by the Board of Regents ___any RE who watched the videos of the workshop. This was a small number for each campus. In future reports, the BOR will provide training that will be mandated for all employees in public post-secondary education. We will need to report the number of our REs who completed the training. This year just socialized us to the process.
3. Confidential Advisors are those employees on the campus who have been designated as confidential and therefore not a Mandatory Reporter. The Board of Regents has indicated that, at minimum, we should have one CA per every 1,500 students. All campuses meet that goal.
4. Confidential Advisors must participate in training put on by the Board of Regents. As of the submission of this report, all but one CA has completed the training.

The rest of the form provides specific information on false reports, formal complaints, and retaliation complaints.
