Business Process Resource Mgmt Dashboard

LSU

Agenda
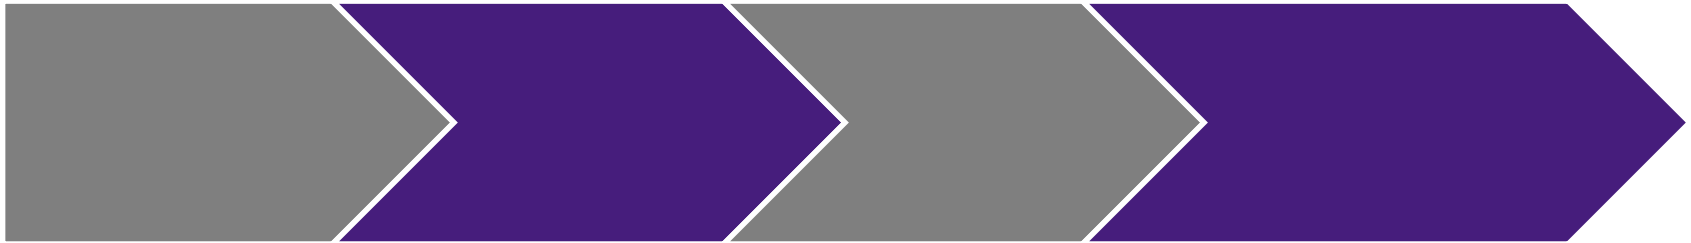

Build a Workday Dashboard consisting of consolidated resources commonly used by employees who manage the business of their respective units (primarily Cost Center Managers) which includes:

- Helpful Announcements
- Reports Enabled as Worklets
- Tasks
- Quick Searches
- Reports
- LSU Application Links
- Informational Links

Business Resource Mgmt Dashboard

LSU

Design Process

Step 1 – Built a cross-functional dashboard design workgroup
Step 2 – Built an initial prototype to showcase available features
Step 3 – Solicited feedback from workgroup and incorporated into dashboard
Step 4 – Test & Deploy to Production
