

**Louisiana State University**  
**FY 24-25 Approved Service Centers**  
**Revised February 3, 2025**

College of Science

- Chemistry Stockroom
- Liquid Nitrogen Cost Center
- Technical Services Group
- X-Ray Crystallography Lab
- Chemistry Mass Spectrometry
- X-Ray Diffraction Laboratory
- Nuclear Magnetic Resonance (NMR) Facility
- Chemistry Shared Laboratory for Macro and Biomacromolecular Research (SLMBR)

College of Engineering

- Advanced Manufacturing & Machining Facility (AMMF)
- Materials Manufacturing, Testing and Evaluation Facility (MMTEF)
