## Reflections from the Chair

By Kerry Hawkins

By the time you are reading this edition of Reflections and Visions I hope we are seeing the trees budding out and the gloomy wet winter weather a thing of the past. I hope that you attended Brush with Burden and our seminar and reception on March 12. Our art show jurors, the renowned watercolorist Ms. Judi Betts and David Humphreys provided insight and inspiration as they discussed creativity via art and photography. My hearty thanks to Kathleen Meares and

Kerry Hawkins

# Louisiana Super Plants

Allen Owings, Professor (Horticulture), LSU AgCenter

It may be hard to believe, but the LSU AgCenter's Louisiana Super Plants program is now on year 6. With the announcement of three new plants for 2016, the program has now named 35 great landscape plants as winners for home gardeners in Louisiana.

The goal of this program has been to identify and promote exceptional plants that perform well in Louisiana. Some of these are new varieties and some are older varieties with a prior proven track record.
