

## **Employer Satisfaction Survey Pilot**

### **Administration and Purpose**

A list was obtained from the Louisiana Department of Education of LSU certified teachers employed in Louisiana. The list identified educators who received their degree in 2014-15; 2015-16; 2016-17 and the schools where they were employed. Those principals were identified and 134 were randomly selected to receive a Qualtrics link at the end of May 2018.

The instrument was completed by 16 respondents. This was a 12% response rate. A factor analysis
