There were 33 items on this survey which were developed from InTASC Standards. Respondents were directed to select Strongly Agree, Agree, Disagree, or Strongly Disagree. *Strongly Disagree* was coded as a 1 through *Strongly Agree* as a 4. Data were collected from respondents who completed the entire instrument. The stem to items was, "Thinking about those LSU prepared educators who were hired in the last three years, how well did LSU prepare them to…"

The last item on the survey asked how the respondents identified the school. The choices were elementary, middle school, or high school. There were 35 who selected elementary, 5 middle school, and 5 high school. Middle school and high school means are presented together.

All participants answered all selected response items. Scores ranged from 3.11 – 3.54 for elementary and 3.4 – 3.8 for middle and high school. In elementary, the highest mean indicated that LSU4 (I)-6 (e)-6 (ct)7 (e)-6 (d)-81 (re)-6 (s)21 (p)-6 (o)reWhBT/TT3 1 Tf12 01 612 7981
