

ALUMNI REGISTRATION

The Department of Civil and Environmental Engineering is always interested in how our alumni are doing. We hope you will take time to complete the Alumni Update information below. Please include information on your recent professional and personal developments, along with a high-quality photo if available. Please email your information to jmueller@lsu.edu or mail submissions to **Civil and Environmental Engineering, Louisiana**

 LSU Foundation/Civil & Environmental Engineering
 Credit card (Circle one): Visa MasterCard Discover AmEx

Account number: __/__/__/__/__/__/__/__/__/__/__/__/__/__/

Expires: __/__/ - __/__/ - __/__/

Name as it appears on card: _____

Signature: _____

Note: If your/your spouse's employer has a Corporate Gift Matching Program, you may be able to double or even quadruple your gift! Please contact the employer's human resource office for more information. Your gift is tax deductible to the fullest extent allowed by law.

he FOREVER LSU campaign is a fundraising effort with a goal of improving and transforming our university. For Civil & Environmental Engineering (CEE), gifts from alumni and friends will:

Encourage students to perform their best through scholarships

Encourage top undergraduates students to pursue engineering graduate education through support provided by fellowships and graduate assistantships

Recruit and retain top faculty through endowed professorships and chairs, and by offering competitive start-up packages

Improve laboratories and equipment to advance both research and teaching programs to stay on the cutting-edge of technology and knowledge

Renovate current space to meet the latest needs in research and education

Provide additional facilities to students to enable them to meet their national engineering competition initiatives

We are already seeing the impact that numerous generous donors, alumni, corporations, and friends are making toward improving our Department. While we look to our key leaders in industry to help us make transformational improvements to the LSU Civil & Environmental Engineering Department, every single person has a role to play. I urge you to make the largest contribution you can afford--to whatever area most engages you.

Don Eisenberg, our Development Officer, can assist. Our volunteer leadership, the CEE Campaign Steering Committee, is comprised

Alumni Highlight: Dr. William Golz

CEE alumni Dr. Golz's research describes how soluble chemicals cross natural interfaces between two dis-

Alumni: We want to hear your news!

We would like to thank the treasured alumni who forward up-to-date information and addresses. Please use the form on the back page to make your submission. Also, please visit our website www.cee.lsu.edu to sign our new Alumni Guestbook. We look forward to hearing from you!
