BASF SENIOR DESIGN AWARD

First Prize Group III
Brian Drago
Cornelia Puls
Anthony Swan
Melanie Young

Awarded by BASF to encourage distinction in undergraduate design activities.

Research Grants and Contracts

Up slightly from last year, the Department received \$1,150,000 in grant proposals and functioned as co-investigator on inter-departmental proposals totaling \$300,000. Chemical Engineering also entered into a further contract with IBM which on completion will provide the Department with the \$2 million-plus computer system on a permanent basis.

Industrial S

As usual, we industry. Compani

Finale

Despite the current problems of the University, we hope to continue building the strength of the Department. Your assistance in the past and in the future will do much to keep us going in the right direction. Our sincere thanks to you all.
