

VINCENT A. FORTE
GRADUATE SCHOOL FELLOWSHIP

The Vincent A. Forte Graduate School Fellowship award is to a student enrolled in a graduate education program in engineering who expresses a sincere desire to enter the teaching profession at the University level upon completion of his/her graduate education. The award is named to honor Vincent A. Forte, P.E., a founder and first president of the Louisiana Engineering Foundation.

Rules

1. A graduate shall be a full time graduate student who is presently attending, or who is applying to enter, a graduate program in engineering at one of the recognized Colleges of Engineering in Louisiana, which has one or more ABET accredited engineering programs.
2. A candidate shall be a resident of the State of Louisiana and a U.S. citizen.

**APPLICATION FOR
VINCENT A. FORTE GRADUATE SCHOOL FELLOWSHIP**

attending or who is applying to enter, a graduate program in engineering education. We hope the student will consider teaching as a profession.

The deadline for submitting the completed application to the Dean of Engineering at the applicant's college
