

STUDENT NAME _____ STUDENT CONTACT PHONE NO.: _____

- x Only graduate level courses from U.S. institutions are accepted for transfer towards the Master's Degree.
- x Take this form, along with the course description, to the faculty and department that corresponds to the course you are having evaluated (e.g. Biology course, Biology department).
- x After the department designee makes the evaluation and signs the form, bring or have it sent to the ECE graduate program officer for final approval by the ECE Graduate Studies Committee.
- x This form should only be submitted AFTER the courses have been evaluated and faculty department signatures have been obtained.
- x Once this form is complete, you are required to submit the graduate school's Request for Transfer form to have the course(s) officially transferred.
