

A special honor reserved for ME alumni with an exceptional level of achievement. An opportunity for us to bring them back home, hear their career experiences, and induct them into the Alumni

## The Mechanical Engineering Alumni Achievement Lecture

How curiosity, opportunity and teamwork guided me to Mars. Follow the twists and turns from LSU graduation, hypersonics research, spacecraft systems engineering and project management, to Curiosity's Flight Director during its landing. Plus, an update of the first six months of Curiosity's exploration of Mars at Gale Crater.
