Plaque of Appreciation from the Geography and Anthropology Society for outstanding assistance, guidance, and support to the Department, December 1997.

Selected by the Library of Congress Geography & Map Division to participate in the 36th Summer Special Project, July 15, 1996 to August 23, 1996.

H.W. Wilson Scholarship, spring 1995.

GRANTS

Principal Investigator LSU Student Technology Fee surplus funds proposal to purchase one new CST-320 R Total Station and three desktop computers, one each for Howe-Russell-Kniffen Rooms 245 and 254, and one for the Map Library Reading room. December 2009. Funded: [\$10,891]

Principal Investigator LSU Student Technology Fee proposal "High Precision Global Positioning System and Notebooks for Archaeology and Physical Geography Field Courses." February 2007. Funded: [\$14,200]

Coordinator with John Pine on contract to provide GIS Analysis Personnel Support to FEMA. October 2005. Funded: [\$100,000]

Principal Investigator LSU Student Technology Fee proposal "Precision Measuring Measuring Instruments for Teaching Labs." Requested funds for instruments for physical Anthropology and physical Geography classes. February 2004. Funded: [\$19,420]

Principal Investigator with Co-Principal Investigator Kelly Blessinger (LSU Libraries) for a Special Libraries Association Endowment Fund Grant to establish a Geographic Information Systems awareness program for the Association. Funded: [\$4100], November 2001.

Principal Investigator with Co-Principal Investigator Kelly Blessinger (LSU Libraries) for a Special Libraries Association Endowment Fund Grant to establish a Geographic Information Systems awareness program for the Association. Funded: [\$5700], November 2000.

Principal grant proposal author for a grant from Ocean Energy, Inc. to fund the Morgan Collection Preservation Project to preserve map images on decaying film negatives. Funded: [\$5000], April 1997.

TEACHING

GEOG 2055 Map Reading, Spring Intersession 2007, 3 hour credit course, Department of Geography & Anthropology, Louisiana State University, Baton Rouge.

LIS 7005 Foundations of Library and Information Science, Fall 2003, 3 hour graduate credit course. School of Library and Information Science, Louisiana State University, Baton Rouge.

LIS 7606 Abstracting and Indexing, Fall 2001, 3 hour graduate credit course via Distance Education, School of Library and Information Science, Louisiana State University, Baton Rouge.

LIS 7606 Abstracting and Indexing, Fall 2000, 3 hour graduate credit course, School of Library and Information Science, Louisiana State University, Baton Rouge.

GEOG 2055 Map Reading, Spring 1999, 3 hour credit course, Department of Geography & Anthropology, Louisiana State University, Baton Rouge.

GEOG 2055 Map Reading, Fall 1998, 3 hour credit course, Department of Geography & Anthropology, Louisiana State University, Baton Rouge.

Guest Lectures

“Doing it Right before You Write: Elements of Effective Cartographic Research.” Three-hour presentation to the GEOG 7902 class. LSU, October 18, 2006.

“Cartographic Reference for Science and Technology Librarians” LIS 7202 Resources for Science and Technology, LSU School of Library and Information Science, Baton Rouge, LA, March 14, 2002.

“Government Document Maps” LIS 7203 Sources of Government Information, LSU School of Library and Information Science, Baton Rouge, LA, November 6, 2001.

“Special Libraries and Special Librarians” LIS 7005 Foundations of Library and Information Science, LSU School of Library and Information Science, Baton Rouge, LA, July 10, 2001.

“Special Libraries and Special Librarians” LIS 7005 Foundations of Library and Information Science, LSU School of Library and Information Science, Baton Rouge, LA, November 5, 2000.

“Cartographic Reference for Science and Technology Librarians” LIS 7202 Resources

for Science and Technology, LSU School of Library and Information Science,
Baton Rouge, LA, March 3, 2000.

“Scale and Contours” GEOG 4022 Geomorphology, LSU Department of Geography &
Anthropology, Baton Rouge, LA, January 25 and 27, 2000.
