#### Minutes: of November 30: 2017

Pojman asked if there were any changes or corrections to the minutes from the November 30.

2017 meeting: Minutesses were more more for representatively advanges accounted by Francisco. deciminates were accepted unappassed.

#### Interim Vice Provest's Report

Massé thanked everyone for their services for the sementer autime in the distribution of

## Academic Affairs Repuri

No report.

#### Chair's Report.

Pojman suggested using ivioudre as a means of emaining everyone. Wasse stated it may not be the best method counts in adopted to the personal email accounts. Pojman also thanked overven for their accounts.

## New Business

Letter of Literat for New Pk.D. Experiments he extinting

Dr. Luis Escober restant function and the description of the doctoral degree will be offered through the Dr. increases and proposed and the second addressed constitution of the doctoral degree will be offered through the doctoral degree of the program, the family are will be a solution of the Board of Supervisors several years ago: however, it was not to implement duffered to explain the importance of the program. It provides students with the family are restricted to explain the importance of the program. It provides students with the family and the program of the program. Adams asked if there were any research opportunities appropriate for a discretation and the is. Escober coulded these are consistently not any various awards for their research efforts.

While deliherating, several council members stated the venter record of the course from the course from the course from the course from the course of the course from the course of the

Several questions were posed from council members or in the letter were letter with the letter

Lockridge moved to approve the letter of intent, but with questions. That it is and the motion passed with one opposing vote:

#### Early Childhood (FG) G certitives of amy known elegations of

Cynthia To Delawic representation of the discuss the proposal. The dested that the thouling are requesting that the GRE requirement be waived. The department has done research and the discovered two other schools within LSU waive them. They also found that potential students and often intimidated by the GRE surpey would the introduced to the great surpey.

Gansle stated they hope that by having hower admicrium requirements and a few courses. If the students decide to move forward, the mineral model is striple provided admission requirements. Fricklessked forcingly regenting the statement of the striple provided in the last hold of the degree requirements. The statement is up for consideration.

Statement is up for consideration.

Sharky believes that waiving the CDF would lead to more students using added to the program. Frick believes this certificate is also asking as lower than 20% requirements and control of the program that provided in the Certificate is also asking to howe the 20% requirements and the control of the program of the proposal should be revised to include their factor meeting and the control of the certificate is also asking to how their Farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates is also asking to how their farly Childhood certificates in the certificate in the certificates in the cer

#### Graduate Certificate in Urban and Economics Education

Jacquetine Bacin appeared before the Council to discuss showing provide The machine the factority.

are requesting that the CRE requirements on sincipal solutions of the factority are different to a statement of impress required for admission. The factority are different to the factority are different to the graduate program, and allowing form of the factority are different to teacher admention room scalled translating any months and the similar with an intermediate teaching experience who are provide more in more provide and other community organizations to come in and work with educators.

Similar discussions were had regarding vious page institutions on doing and distinguaged for the requirements. Lock ridge moved to approve, Marchand seconded, motion passed, with the requirements abstaining.

Pojman thanked all guests for meeting with the Council.
