Graduate School's Report

Wicks gave an enrollment update on the Budget & Planning website. The Grad School sort-s... a new process for students admitted with a GPA between 2.75 and 3.0. These students are on probation... more departments during the Fall enrollment period. Approximately 220 students have enrolled in the Graduate Teaching Assistant Training Course offered on Moodle. The course will stay active until January 2021.

Spencer spoke about recent discussions with the college deans about a process to align the flow of graduate tuition with the burden of additional resources needed to support graduate education. It is really about implementing an existing policy for revenue sharing for graduate programs.

He is also working on developing a strategic plan related to graduate education at LSU. A workgroup composed of several constituencies is meeting with an expert to get an overview of the major challenges of graduate education as a context to developing recommendations in the near future.

Academic Affairs Report

Lee expressed appreciation on behalf of Debra Housie for the extraordinary work from everyone to make the best of this semester, and that he this format will continue in Spring 2021.
