“But I am already eating from this trashcan all the time.

- *The Pervert's Guide to Ideology*

myself available outside of the classroom via Zoom and am more than willing to answer any question about the material. I also recognize that we live in highly unusual times and that many of you will experience great hardships throughout the semester.

While I am very amenable about deadlines and sympathetic to situations that emerge beyond the grasp of any individual, I **do not** need your “life story,” nor do I desire a great deal of information about your personal life. Instead, I suggest in the event that you need to turn in a paper late, that you **briefly** inform me of your difficulties **ahead of its due date** and we can arrange an alternative due date. **However, failure to do so will result in a failing grade.**
