

# **POLICY STATEMENT 127 COMPLIANCE**

Monitoring Unit: Information Technology Services  
Initially Issued: July 21, 2023

## **PURPOSE**

As an institution of higher education, the Louisiana State University A&M Baton Rouge Campus (“University” or “LSUAM”) is charged with maintaining systems and data for administrative, academic, and research purposes. As the University is trusted with various data elements in relation to the academic, research,

1. LSUAM shall ensure that all authentication mechanisms used to access systems and/or applications must display login banners that outline or reference the authorized and legitimate use of the system, application, and/or network environment.

## **STANDARDS**

- A. The Contract Management standards are outlined in Standard PS-127-ST-1.
- B. The Compliance Program standards are outlined in Standard PS-127-ST-2.
- C. The Login Banners Disclaimers and Consents are outlined in Standard PS-127-ST-3.333
