

SECTION 4. ALARA PROGRAM

4.1 POLICY

The Louisiana State University and A&M College radiation safety program will be conducted in such a manner that exposure to faculty, staff, students, the public and the environment will be **As Low As Reasonably Achievable (ALARA)** and that no radiation exposure will be received without societal benefit. This will be accomplished without impeding legitimate research or realistic teaching objectives.

4.2 MANAGEMENT COMMITMENT

Louisiana State University and A&M College is committed to make every reasonable effort to minimize radiation exposures to employees, through the following control measures:

- a. Personnel will be made aware of management's commitment to maintain low exposure levels.
- b. Management will periodically review operating procedures with the Radiation Safety Officer to determine steps taken to reduce exposures.
- c. Management will ensure that the person, or persons, selected for the Radiation Safety Officer responsibilities are fully qualified to administer all aspects of a radiation protection program.
- d. Management will ensure that all employees en
