Responsible Conduct of Research Training Certification

The National Institutes of Health (NIH) requires that trainees, fellows, participants, and scholars receiving support through any NIH training, career development award (individual or institutional), research education grant, and dissertation research grant must receive instruction in responsible conduct of research. This applies to the following programs: D43, D71, F05, F30, F31, F32, F33, F34, F37, F38, K01, K02, K05, K07, K08, K12, K18, K22, K23, K24, K25, K26, K30, K99/R00, KL1, KL2, R25, R36, T15, T32, T34, T35, T36, T37, T90/R90, TL1, TU2, and U2R.

Indicate if you have individuals funded by your NIH sponsored project by checking the appropriate option below. Complete the information about your project and then return this signed form to the Office of Research and Economic Development. Please note that as the PI on this project, you are responsible for maintaining documentation regarding participation in RCR by those individuals that are funded by study.

Yes. I do have trainees, fellows, participants and scholars involved in my NIH-sponsored research study.
