Conditional on: General Education statement should not be used. Instead use the ILC language. Need learning objectives.

ASTR Henderson moved to approve and the motion passed unanimously.

ASTR Hiat moved to revise and resubmit and the motion carried unanimously. Revisions: The sample syllabus doesn't match with the change in contact hours and it's not clear how much lab is happening. The syllabus says a zero for non-attendance which violates PS . Final exam is checked but not mentioned. There is no allowance for grade exclusion and that language should be removed. Rounding policy. The presentation timeframe needs to be clarified. Is it during the final exam period?

BIOL Kaller moved to conditionally approve and the motion carried unanimously. Conditional on: Revisions suggested as grading scale is confusing with points and percentages. Extra calculation of percentages may cause issues. Needs learning objectives.

BIOL Kaller moved to conditionally approve and the motion carried unanimously. Conditional on: Grading scale needs rounding and check the policy statements PS .
