rehabilitation. All of the Intern's work will be under the supervision of a Faculty member within the Department. Initially it is anticipated that direct Faculty supervision will be significant. It is anticipated that as the program progresses that direct supervision will decrease commensurate with the development of the intern's clinical skills.

5.3.2 The intern will rotate half block through

house officer's program at any time based on these evaluations.

10.4 The House Officer Committee meets in May of each year to determine if the house officer has successfully completed his/her program. This determination will be based on all evaluations received for the house officer.

10.5 All House Officers are required to complete an annual evaluation of their program with suggestions for improvement before continuation or completion of their program is granted.

11.0 POST INTERNSHIP STUDY

11.1 If the intern is considering a residency or graduate program following completion of the internship, it is suggested that he/she consult with relevant faculty to maximize preparation for that program.
