

Your personalized message engraved on a brick or paver leading to the new Stephenson Pet Clinic helps lead the way to the LSU School of Veterinary Medicine's ever-expanding excellence. Each brick and paver gift will support the clinic, its landscaping and hardscaping, and permanent elements that will complete the public-facing entryway.

Engraved bricks and pavers are a thoughtful way to memorialize a pet, pay tribute to a friend or family member, or honor a memory or event.

The Stephenson Pet Clinic began construction in September 2020, and we anticipate construction
